

Parking at the cemetery is limited. To ensure all registered volunteers are able to participate and enjoy this event, we strongly encourage you to register at our “Genius Sign-up” link and designate the timeframe you would like to participate. Only those volunteers who have registered will be allowed to park on the cemetery’s hallowed grounds.

If you have a family member or loved one interred at the cemetery and you do not wish a wreath placed on the grave site by others, please submit a “Red Flag Reservation”, along with any other questions no later than 15 December, 2021. A flag will be placed at each grave site to identify no wreath placement except by the family.

To place a “Red Flag Reservation” go to www.hortonwreathsociety.org

******Please remember the parking at the cemetery is only for volunteers who have registered to lay wreaths and will only be allowed to park for a specific amount of time to allow multiple shifts of volunteers to participate. Please ensure you designate the shift you wish to participate when you register. Car-pooling is encouraged.**
